

SyncMyMail™

Referral Agent Opportunities

Why become a Referral Agent?

With SyncMyMail you are assured of working with a professional hosted services company with a strong product suite in hosted solutions. *We offer you and your referrals great benefits!*

Your Perks

We love referred clients, but we do not ignore the referral agent. We offer you 3 reasons to refer to SyncMyMail:

- 1** Try our hosted services for **2 months for FREE!** That's right - we offer you a free subscription worth R 555.00
- 2** Offer your clients / friends / family a discount of **R99 up to R597** when they sign up with your unique promo code.
- 3** **Receive R100 cash** for every mailbox you bring in. Note that a single customer often requires multiple users/mailboxes.

Your Responsibilities

We would like you to introduce SyncMyMail and our solutions to your clients/readers via your blog/website/newsletter.

Refer your business associates or customers to SyncMyMail, and if they sign-up for our hosted Exchange service and stay for two months, you receive a check from us—for every customer you refer.

How To Get Started

Sign up online or contact us at sales@syncmymail.com or 087 625 0519.

The graphic features a man in a suit pointing upwards, with three orange circles containing the numbers 60, FREE setup, and R100. Below each circle is a corresponding benefit: FREE 60 DAYS TRIAL, OFFER CLIENTS DISCOUNT, and EARN R 100 PER MAILBOX.

About SyncMyMail

SyncMyMail is founded in Cape Town, January 2008. We offer SME's and individuals hosted business automation services. Our hosted solutions offer SME's a high end IT infrastructure, without the hardware and software investment and maintenance. We have rapidly built up a wide range of services, and are now South Africa's preferred hosted services provider.

What we offer:

Hosted Microsoft Exchange
 An enterprise grade, full-featured e-mail platform that is the industry standard.

- 1GB, 3GB and Unlimited storage.
- No minimum contract duration.
- Free SharePoint
- Wireless Sync (BES and ActiveSync)

Hosted Microsoft SharePoint.
 A leading collaboration and document management system.

- Unlimited users
- Unlimited sub sites
